Rumi Seto spends a lot of time worrying she doesnâ€™t have the answers to everything. What to eat, where to go, whom to love. But there is one thing she is absolutely sure ofâ€”she wants to spend the rest of her life writing music with her younger sister, Lea.

Then Lea dies in a car accident, and her mother sends her away to live with her aunt in Hawaii while she deals with her own grief. Now thousands of miles from home, Rumi struggles to navigate the loss of her sister, being abandoned by her mother, and the absence of music in her life. With the help of the â€œboys next doorâ€”a teenage surfer named Kai, who smiles too much and doesnâ€™t take anything seriously, and an eighty-year-old named George Watanabe, who succumbed to his own grief years agoâ€”Rumi attempts to find her way back to her music, to write the song she and Lea never had the chance to finish.
